### Education

present **B.Sc. Physics**, *National and Kapodistrian University of Athens*, Athens.  
2011 – 2014 **High School Diploma**, *Dionysos General High School*, Athens.

### B.Sc. Thesis

Title **TBA**  
Supervisor Professor Aris L. Moustakas

### Talks–Presentations

June 2019 **Random Operators – Anderson Localisation**, *National and Kapodistrian University of Athens*,  
Presentation for an audience of students and professors.

### Seminars–Workshops–Conferences

December 2017 **Colloquium in honour of Fokion Hadjioannou**, *National and Kapodistrian University of Athens*, organized by Professor P.J. Ioannou and Associate Professor T. Apostolatos.  
December 2017 **Xmas Theoretical Physics Workshop @ Athens 2017**, *National and Kapodistrian University of Athens*, organized by Professor K. Sfetsos and Associate Professor V. Spanos.  
December 2017 **Lectures on Theoretical Physics 2017**, *National Technical University of Athens*.  
February–June 2016 **Series of seminars for advanced second year students in the Physics Department to present and discuss various theoretical problems in Physics**, (*mainly Classical Mechanics and Electromagnetism*), organized by Professor P.J. Ioannou, Associate Professor T. Apostolatos & Professor Emeritus F.T. Hadjioannou.  
July 2019 **Eighth Summer School in Operator Theory**, *Department of Mathematics, NKUA*, city, grade, description.

### Languages

Native Speaker Greek  
Excellent English *Mastery of Proficiency (C2 level, Michigan ECPE)*  
Command

### Computer skills

HTML(Bootstrap 4 and CSS), Python, C,  $\text{\LaTeX}$ , MS Office

### Other Interests

Music, Poetry, Books, Hiking, Tech, DIYs
